

**Disclaimer:**

The organizations collaborating on the preparation of this voting record are organized in a variety of ways, with some being 501(c)(3) organizations while others are 501(c)(4) or 501(c)(6) organizations. This voting record is intended to be nonpartisan, with the aim of helping our respective members engage existing legislators of all political persuasions in dialogue regarding their views relating to student achievement. We are hopeful that through such dialogue with sitting legislators who have already been elected, our members may be able to increasingly find common ground with all legislators, based on an interest in serving the interests of public school students, families and communities.

The joint publication of this record by the sponsoring groups does not reflect, should not be construed as and is not intended to be used as either an endorsement or a condemnation of any candidate or party or faction within a party or to determine a legislative candidate's fitness to serve in elected office.
