

Facility Management Solutions for Education

Security

Custodial

Maintenance

Now you can spend your time (and your budget)
on your primary mission: **Educating Students.**

Fully-integrated home town facility management
service providers can save you

at least 10%

on your facility management costs.

A la carte, customized offerings:

Security ♦ Custodial ♦ Maintenance and Management

Let us take care of your facility management business so you
can focus your time and your cost savings on your primary mission:
Educational Excellence.

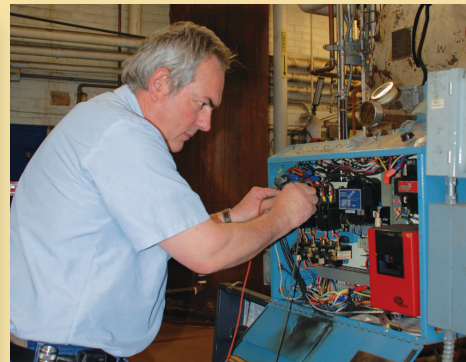

Security:

- ◆ Level 1, 2 and 3 security officers, uniformed or non.
- ◆ Access control systems, including metal detectors
- ◆ Video surveillance systems with on- or off-site monitoring
- ◆ Property patrols on foot, bike or vehicle
- ◆ Community-based instant notification systems
- ◆ Emergency services available 24/7/365

Custodial:

- ◆ Cross-training for improved productivity
- ◆ Recruiting, hiring, compliance, training and management
- ◆ Healthy High Performance Cleaning – GREENGUARD™ Certified Program for Children and Schools
- ◆ Complete care for carpets, hard floor care and gymnasiums
- ◆ Disinfecting/sanitizing for communicable disease prevention and response
- ◆ Specialized cleaning for windows, walls, grout restoration, window blinds, upholstery and cubicles
- ◆ LEED program development, certification and maintenance support
- ◆ Exterior grounds, windows, parking lot programs
- ◆ Graffiti and Snow removal

Facility maintenance and management:

- ◆ Routine maintenance and handyman services
- ◆ HVAC system maintenance and design/build/augmentation services
- ◆ Benchmark energy costs with peer school environments
- ◆ Risk management strategy
- ◆ Validate warranties, improve productivity with integrated web-based tools for work orders and service requests, preventive maintenance calendar and checklist and record-keeping.
- ◆ Relamping
- ◆ Inspections, training and management

It's about **budgets**. It's about **time**.
