

# ProGrass™

No turf lasts longer, performs better, maintains its appearance, and addresses biomechanical concerns of the players like a **ProGrass** Field. That's because no other synthetic turf system has our unique "5-P" Performance.

- **People** who believe that their reputation depends on the unparalleled performance of every field
- **Products** that last manufactured by ACT Global Sports, the only ISO 9001 Certified, Synthetic Turf Council Certified Manufacturer, and FIFA Preferred Producer for Football Turf
- **Playability** through comprehensive science based upon natural grass benchmarks and torture testing
- **Professional Services** with experienced staff and equipment
- **Proactive Maintenance** to ensure that every field continues to perform with the highest standards and playability
