

TECHLINE SPORTS LIGHTING

Your Affordable Sports Lighting Solution

With years of experience designing and developing innovative lighting systems, we combine high quality products with great prices and the best possible customer service in the industry.

Techline is your one stop source for:

- **Consulting** - We design lighting for new facilities as well as audit existing facilities providing professional recommendations to improve light levels and energy efficiency.
- **Design** - Our team provides complete lighting, structural and electrical designs specific to your project.
- **Products** - Our industry leading ESL fixtures, powered by EcoLink controls, can cut your operating costs up to 50%.
- **Installation** - Our team handles your entire project from delivery to game day in as little as 2-3 weeks.
- **Guarantee** - Warranties up to 30 years customized to your needs.

Techline has been creating customer solutions for over 25 years. Contact us today and have a Techline lighting designer bring his unparalleled level of expertise to your design project.
