The Association of Education Purchasing Agencies (AEPA) is a multi-state non-profit organization of "cooperative" Educational Service Agencies/political subdivisions established in 2000. AEPA's mission is to secure multi-state purchasing contracts that provide cost-effective solutions and technology to Member Agencies and their respective states. manageID® and Crossmatch have teamed up to provide AEPA members states with our enrollment software to be used in conjunction with Live Scan Fingerprint and Palm-Print Capture devices to allow background investigations to be conducted on prospective employees and contractors, ensuring the safety of our schools and students.

WHY US?

manageID and CrossMatch are committed to providing end to end biometrics-based identity solutions optimal to ensure safety and security of any system or facility.

OUR PRODUCTS ARE:

- Based on industry leading Identity Management technologies

- Flexible and scalable to meet any size operation

- Easily integrated with existing systems

- Simple to use

OUR LIVE SCAN SYSTEM IS A SECURE AND STANDARDS BASED SOLUTION IDEAL FOR:

- Performing background checks on employees, contractors and volunteers
- Secure and Simple Visitor Access Management
- Easier and safer Sign In/Out procedures
- Monitoring daily attendance
- Efficient and discrete lunch lines
