# OFFICE PRODUCTS THAT MEET YOUR EVERY NEED

## Everyday Office Products

Your everyday office products that you have come to love and rely on are available to your organization at great prices!

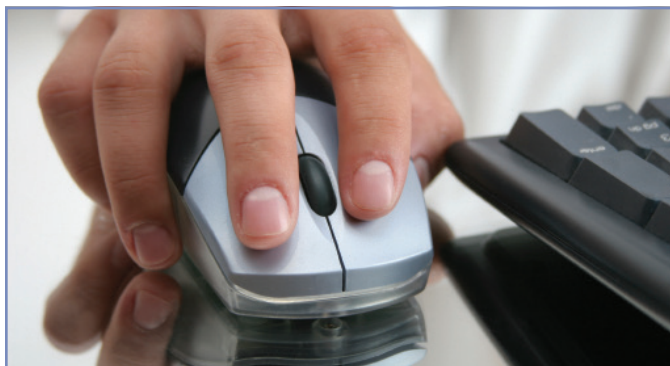

## Private Label Brands

When your organization needs products that provide outstanding value with no compromise in quality, you can rely on our private label brands. Private label products are backed by innovation, quality manufacturing and testing.

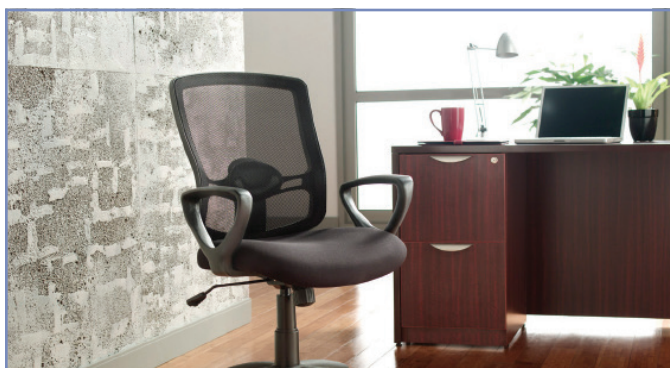

## Cleaning & Breakroom

Independent Stationers Cleaning & Breakroom solutions offer the convenience of a "one-stop shop" for all of the products that help create an ideal company breakroom and keep your workplace spotless. From beverages to brew systems, furnishings to food and paperware to tableware, our assortment of products will make workplace maintenance a snap.

## Technology

We offer thousands of items including the latest computers, storage, networking, software and accessories.

## Furniture

Independent Stationers is one of the world's top suppliers of quality office furniture and custom workspace solutions. We provide a robust selection of in-stock products from many of the world's leading manufacturers.

## Environmental Products

When you partner with Independent Stationers, you collaborate with an industry leader in environmental sustainability. Green Matters, a comprehensive environmental program that strives to improve the environmental performance of our suppliers, our own operations and our customers.
