

MONTANA

REOPENING THE BIG SKY
PHASED APPROACH

Schools

- Beginning May 7, 2020 all schools have the option to return to in-classroom teaching delivery.
- The State recognizes that if reopened, schools will require the district to make adjustments and create plans, policies, and procedures.
- If schools plan to reopen they should consider:
 - Implementing an alternative educational delivery model that includes a mix of in-person and remote learning.
 - Providing focused individual education, especially for at-risk students.
 - How to reconnect and meet the educational needs of students who fall behind in a remote learning environment.
 - The importance of maintaining the connection between students, teachers, and parents.
 - The important role that schools play in the health of students, families, and communities.
 - Graduation environments that can meet the social distancing requirements.
